PARENT/Family ENGAGEMENT

Monterey Trail High School is a school that values the partnership between parents, teachers, coaches, and students to ensure that every student learns to the best of their ability and is prepared for college and career choices after high

school. In order to support our strong relationship in supporting MTHS students there are a number of opportunities to collaborate, communicate, participate and learn. We strongly encourage you to take advantage of the following:

ParentVue

Monterey Trail High School is proud to offer ParentVue to our families. This is an excellent grade and communications system where parents can communicate with teachers, administrators and counselors. ParentVue gives instant access to grades and class assignments when posted. Parents and students each sign up for their own account. To register for ParentVue, please contact the MTHS front office to obtain your registration code and instructions. Make sure you are in the Loop!

- Register for ParentVue by contacting the MTHS front office.
- Check grades.
- Communicate directly with teachers, coaches, counselors and administrators.
- Have access to assignments, lessons and tutoring links provided by teachers.

SCHOOL SITE COUNCIL

Be a parent representative on the Site Council to collaborate on budget and educational goals for the whole school. The council typically meets on the fourth Thursday of each month (excluding August, November, December, and May) from 6:00 pm to 7:00 pm. Stay tuned for more details.

BOOSTER CLUBS

Contact the teacher or coach of your student's favorite program (Band, Athletics, Cheer etc.) and volunteer to assist or join their Booster organization. This is a great way to be involved directly in a favorite activity.

VOLUNTEER/Meaningful Impact and Involvement

We are looking for help in a variety of roles from help at events, lunches, on committees, guest speakers, career presentations, and more. If you would like to volunteer in any role please contact our Family, School and Community Liaison or the front office at 916-688-0050 to get started. All volunteers must be fingerprinted and fill out specific paperwork to be able to volunteer. Visits to a classroom observation do not require fingerprinting but do require 24 hour notice and approval with a check in at the front office to be allowed on campus. Please see the visitor section in the handbook for more information.

ELAC/DELAC - Parents and families are invited to be a part of our current ELAC and DELAC meetings to help improve the outcomes for our English Learners on campus and throughout EGUSD. Contact the front office for more information.

DONATE

We are always looking for ways to help our programs with community support. You may donate supplies or money to a department or program. Call the office at 916-688-0050 for details.

SUPERINTENDENT'S PARENT ADVISORY COMMITTEE

Actively engage in collaborative discussions with the superintendent in effort to achieve the district's mission and learning vision. See Principal to volunteer.

PARTICIPATION IN HIGH SCHOOL GRADUATION CEREMONY- AR 5127(a) (b)

To encourage and support the purpose and integrity of the high school education program during the senior year, the District establishes the following minimum requirements for each student's participation in the high school graduation ceremony.

ACHIEVEMENT

To participate in the high school graduation ceremony, a student must earn 35 out of 40 credits in the 3rd and 4th terms at block-schedule high schools.

GOOD CITIZENSHIP/DISCIPLINE

A senior student who receives an off-campus suspension from school in the second semester or 3rd and 4th terms will be notified in writing that if a second off-campus suspendable offense occurs, he/she may not be allowed to participate in the graduation ceremony.

Any senior student who receives an off-campus suspension within the last 20 school attendance days prior to the date of graduation may be denied the privilege of participating in the graduation ceremony, even if that off-campus suspension is the student's first off-campus suspension during his/her senior year.

In addition, if a student receives an off-campus suspension that falls on the day of graduation practice or of the graduation ceremony, that student will not be allowed to participate in graduation.

UNPAID DAMAGES

If a senior student has willfully damaged, or otherwise injured the property of the District, or failed to return the property of the District that has been loaned to the student, that student may be denied the privilege of participating in the graduation ceremony until the student or student's parent or guardian has paid for the damage or replacement costs of the District's personal property.

GRADUATION REHEARSAL ATTENDANCE

Each student is required to attend the scheduled graduation practice/s at the school from which he/she is graduating, unless the absence is approved by the principal.

PARENT NOTIFICATION

Each high school student and parent/guardian shall receive annual notification of this policy and related administrative regulation as related to achievement, citizenship/discipline, unpaid damages, and graduation practice [rehearsal] attendance. High School seniors shall also receive additional notification of this policy and administrative regulation at the beginning of the second semester.

Should a student be informed by the school's principal that he/she may not participate in the graduation ceremony, the student's parents/guardians may appeal the decision of the principal to the Office of Secondary Education.

SENIOR PRESENTATION

All Monterey Trail High School Seniors, are encouraged to give a 3-5 minute speech to a panel of staff and students. If students are seeking to earn an honor cord at graduation, they must complete a senior presentation. The speech will be a reflection in which students thoughtfully address one question from the University of California Personal Insight Questions.

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic development?
6. Think about an academic subject that inspires you. Describe how you have furthered this interest inside and/or outside of the classroom.
7. What have you done to make your school or community a better place?

Each student will be given a date and time for his/her individual presentation. Students are expected to present themselves professionally. A notation will be placed on transcripts for all students who pass the Senior Presentation. Each student who passes will receive a pin.

TRANSCRIPT REQUESTS

Students may pick up a Transcript Request Form from the Registrar in the Administration building or on the MTHS website, under Students (mths.egusd.net). If a student requires an official transcript, the request form must be signed by a

parent. Return the completed transcript request form by Wednesday and the transcript will be ready for pick up on Friday the same week.

Every graduating senior receives the first official transcript free after final grades have posted in June.

There is a fee for Alumni transcripts. \$ 5.00

VALEDICTORIAN AND SALUTATORIAN

The Valedictorian and Salutatorian are the two highest academic honors we award to our graduating seniors. The selection of the Valedictorian and Salutatorian is based on overall academic achievement as calculated by the cumulative EGUSD weighted grade point average at the end of Term 2 of the 12th grade year.

EARLY GRADUATION REQUIREMENTS

As a comprehensive school site, students are enrolled for 4 years. If you have a request for early graduation, please see your school counselor about an alternative education referral. ACADEMIC RECOGNITION

ACADEMIC EXCELLENCE

Monterey Trail High School is dedicated to motivating and encouraging academic excellence. The aim is to create and maintain a culture in which academic achievement is recognized and rewarded.

HONOR ROLL:

Twice each year, students achieving at the highest academic level are invited to attend a special Honor Roll Awards Night in their honor. To receive this honor, students must average a 3.75 or higher GPA over two consecutive terms (1&2 and then 3&4). Students receive a certificate honoring their achievement. Students who Achieve the Honor Roll all 8 times will be awarded the Honor Roll Cord to be worn at the graduation ceremony after the student submits the completed application and shows completion of all requirements.

RENAISSANCE REWARDS:

The Renaissance program at Monterey Trail High School aims at creating and maintaining a culture in which academic achievement has the same prestige as athletic or artistic achievement. Renaissance employs similar motivational practices to those used in the business world. By providing tangible and visible incentives and rewards to students who improve their level of performance and to those who maintain high levels of achievement, Renaissance re-enforces the behavior that schools promote.

There are three levels of rewards:

Platinum - 4.0 or better GPA

Gold - 3.0 or better GPA

Silver - 0.5 or better GPA improvement

Renaissance is a partnership between businesses, community leaders, and education, bringing ideas and people together in order to find ways for students to experience the joy of learning. The rewards at each level are shown below.

Platinum Level:	Gold Level:	Silver Level:
Two Academic Waivers*	One Academic Waiver*	Discounts at Local Businesses
One Off-Campus Lunch Pass**	One Off-Campus Lunch Pass**	and Student Store
Discounts at Local Businesses	Discounts at Local Businesses and	
and Student Store	Student Store	

*Subject to teacher approval and restrictions.

**Subject to parent and administrative permission each time.

Renaissance is processed for every student who qualifies, there is no application process. Rewards are available through the 5Star application and will be available to students who qualify approximately 2-3 weeks after the term ends. Shortly after, all Renaissance students are invited to attend the Renaissance BBQ during their lunch in the quad. You must have your current school ID card or Synergy ID with you when picking up your lunch.

CALIFORNIA SCHOLARSHIP FEDERATION (CSF)

CSF is a state-wide honor society that recognizes excellent student scholarship. CSF accepts registration only twice a year, during the beginning of Term 1 and the beginning of Term 3. Students qualify for participation using grades

from their previous two terms. Acceptance is based on a point scale: A = 3 points, B = 1 point and an additional point for Honors or AP classes (a maximum of two such points). A student may use no more than five classes, and a ten point minimum is necessary for qualification. Furthermore, there cannot be any D's or F's on your transcript for the qualifying terms. Please note: CSF has strict grade guidelines and registration deadlines. Only 10th through 12th grade students are eligible for full initiation into CSF. Students with four semesters of CSF membership (with at least one of those semesters in the senior year) become CSF Lifetime Members and will receive special recognition at Senior Awards Night and graduation.

COMMUNITY SERVICE

Community Service is a means of learning through experiences. Through Community Service students gain and apply academic, career, and social skills by addressing authentic community needs. Students at Monterey Trail High School are strongly encouraged to take part in community service. It is recommended that students in 9th and 10th grade complete 10 hours each year, or a combined total of 20 hours. 11th and 12th grade students should complete a combined total of 25 hours. Community Service will be recorded on student transcripts in Term 4 each year, when the recommended number of hours have been completed. **Hours cannot be made up the following school year.**

The **student** will have full responsibility to turn in documentation for service time toward the end of term 4 each year. Forms must be turned in to each **student's Advocacy teacher** and are available from the Advocacy teacher and the Counseling Office.

Community Service cannot include any monetary payment, will not earn any school credit, and must be completed outside school hours. Any work that is done during school hours qualifies for school credit if student is unpaid. Any paid work cannot count towards community service hours.

Verification of Community Service must be provided on the required form by a signature from a community member or person responsible for the service event where the student volunteered. Students must keep yearly records of all community service on the required form.

Credit for community service will only be approved for the current year - June to May and must be completed during that time frame for each year.

VALEDICTORIAN AND SALUTATORIAN:

The Valedictorian and Salutatorian are the two highest academic honors we award to our graduating seniors. The selection of the Valedictorian and Salutatorian is based on overall academic achievement as calculated by the cumulative EGUSD weighted grade point average at the end of Term 2 of the 12th grade year.

students have access to resources such as tutoring and supplemental learning materials. The EL program regularly meets with parents and guardians to provide information and give families an opportunity to ask questions and make suggestions about how to improve the services we offer to EL students. Bilingual teaching assistants are available throughout the week to assist with instruction and with parent communication.

If you have any questions about the English Learner Program, please contact Jaime Ortega, EL Coordinator, at JNOrtega@egusd.net.

EXTENDED DAY AND SUMMER SCHOOL

FOSTER YOUTH

MTHS students who are in foster care are invited to join the weekly Foster Youth Advocacy class at Monterey Trail High School. The MTHS Foster Youth Advocacy is designed to serve the social, emotional, and educational needs of children in foster care. The Foster Youth Advocacy class provides a safe environment for students in foster care who may need additional services on our campus.

HONORS AND ADVANCED PLACEMENT (AP) PROGRAM

Students who are prepared to challenge themselves through accelerated learning are encouraged to enroll in one or more Honors or Advanced Placement courses. The College Board's Advanced Placement program gives students the opportunity to earn college credit while in high school through successful performance on culminating Advanced Placement examinations. A complete listing of Honors and Advanced Placement courses offered at Monterey Trail High School is contained in the EGUSD course catalogue. Students interested in enrolling in Honors or Advanced Placement courses should see their counselor for additional information. Monterey Trail has an open enrollment for all AP/honors classes. Once enrolled into the class a student must petition to drop an AP/Honors class. Reasons for dropping a class are: not meeting the prerequisites of the class, or having a documented extenuating medical condition. It is recommended that students take no more than 2 (two) AP/Honors classes per school year.

GRADE WEIGHTING

In accordance with policies established by the University of California, students completing honors and advanced placement (AP) courses at the junior and senior levels will receive UC recognized extra grade points within their grade point average (GPA) calculation. The chart below illustrates the grade weighting used at Monterey Trail High School. Freshmen and sophomore students who take Advanced Placement courses receive district-recognized extra grade points which are reflected in the cumulative grade point average. Questions may be directed to the Counseling Department.

Regular Courses	AP/Honors Courses

ADVOCACY/Moving Toward the Future

Advocacy will help all students to understand the importance of what they are doing now in school and its impact on their future. Students will be assigned to an Advocacy class with a teacher that will remain with them for all 4 years at Monterey

Trail High School. The Advocacy teacher will help students monitor their progress toward completion of graduation requirements and will provide support with academic planning. The teacher will be able to help facilitate communication with parents/guardians, provide support for students during academic testing, and help prepare students for the Senior Presentation.

The Advocacy class will meet every week on Thursday for 37 minutes in order to achieve the following objectives:

- Support students in their academic endeavors, including preparing for the Senior Presentation.
- Provide support and guidance to students as they make critical decisions regarding their academic progress.
- Guide students towards critical and creative thinking skills that will help them reach their goals for their intended future.

Focus of the Advocacy class includes:

- Recommendation of 10 hours of Community Service each year, and maintaining records and reflections of all Community Service.
- Meeting or exceeding all the assignment requirements of the Advocacy class each year.
- Making adequate progress towards the Senior Presentation each year.
- Meeting or exceeding the recommendations of the Senior Presentation (to be completed before May of the Graduating Year).

PALS

Physical Education PALS - all 9th and 10th graders will keep track of their physical activity weekly as an assignment in their Advocacy class. This helps promote a healthy, physical fitness mind set as well as comply with State guidelines.

HOMEWORK REQUESTS

Nothing can replace the learning and experience that take place in the classroom. Therefore, it is important that students attend class every day. If your student is absent, contact your student's teacher for make-up work for excused absences. Please allow 24 to 48 hours for teachers to answer such requests. ParentVue is available to MTHS and allows students and parents to access teachers, grades, class assignments, and school information. You may also access the Monterey Trail website at mths.egusd.net and request homework by emailing teachers. See web page information under General Information. Please refer to the Student Discipline section of this handbook for information on homework requests when under suspension.

LIBRARY AND TEXTBOOKS

LIBRARY MEDIA CENTER

The mission of the Monterey Trail High School and Edward Harris, Jr. Middle School is to promote literacy and the enjoyment of reading; and to ensure that students become lifelong learners who can find, evaluate, and utilize information in a variety of formats in an effective, critical, and responsible way. Libraries today provide not only printed materials but also computer and electronic resources. The Monterey Trail High School/Edward Harris, Jr. Middle School Library serves students from seventh through twelfth grade. Therefore, the library collection will include books and information resources for all of these grade levels. Because all materials in the collection will be accessible to all students, it is important that parents/guardians be active in determining the individual reading choices made by their child or children. Because the staff of the Monterey Trail High School and Edward Harris Middle School Library Media Center respects an individual's right to access information, we support the principles of the ALA Library Bill of Rights, the NCTE Student's Right to Read, and district policy AR1312.

CIRCULATION POLICY/CHECK-OUT POLICY

- School policy mandates that students carry a school ID card everyday. In order to put textbooks in the hands of our students in a timely manner, the library staff accepts student ID cards, schedules or identification of a student in person by their teacher when checking out a textbook. To check out a library book, a student ID is required.
- There is a three book limit on the number of books a student may check out at one time. This does not include core novels or textbooks. Students may check out books for a two week period of time. Renewals: Students will be allowed one two week renewal on a book and then the book must be returned.
- Research materials that are on reserve for a pre-designated period of time, because they are being used by several classes for class project, are not available to be checked out from the library but may be freely

accessed in the library during library hours.

- Reference texts cannot be checked out from the library for personal use but are readily available during library hours.
- Any book not available in the school's site collection, but located at another school district library, can be requested via an interlibrary loan. (pending)
- Audio-visual material is not available for student checkout but is available for viewing or listening during library hours with permission from a teacher for homework.

TEXTBOOKS/LIBRARY BOOKS LEFT ON CAMPUS

Students should take their textbooks and library books home each day to complete assigned homework and they should return with textbooks each day in order to use them during classroom instruction. Students should not leave their textbooks or library books in any room on campus because there is a risk that those books may be lost, stolen or damaged. Classroom teachers will not assume responsibility for any student textbooks or library book left in any room on campus. Most rooms at MTHS are used by a variety of students and teachers during the day (and sometimes by outside groups) and therefore, are not safe places to leave books. If by choice or accident a student leaves a library or textbook in a room and it is lost, stolen, or damaged; the student and parent/guardian are responsible for paying for that lost or stolen books or for damages to that book. Students are also responsible for returning all their own books to the library for check in. Teachers are not responsible for returning these items.

LOST/STOLEN, OR DAMAGED BOOKS CHARGES AND POLICY

The library media center serves all staff and students at Monterey Trail High and Edward Harris, Jr. Middle School and needs everyone's help to ensure that we have books in quality condition to serve the needs of all our patrons. When a student is issued a textbook, they are given instructions on how to care for the books and a reminder called "The 7 Day Rule." This rule states that students must report any damages they find in the book(s) they have been issued within 7 days of the receipt of the book. Damages reported by students will be noted in each book by the library staff and the student will not be charged for these damages. Only the library staff can note damages in any book. If the student does not report damages within 7 days, that student may be charged for the damages when that book is checked in at the end of the course. Below is the list of charges and our policy for lost, stolen, or damaged books. These charges are necessary to help the library maintain its collection on our very limited budget. Students should cover textbooks and protect all books from rain, other liquids, food, ink, crayons, pets, etc. (The library staff recommends that students carry a plastic bag in their backpack and put books inside it when the weather is rainy.)

OVERDUE BOOKS POLICY

- Any student who has overdue, damaged, lost or stolen books may not check out library materials until all books have been returned, fines paid and/or payment contracts up to date. Because of the requirements of the Williams Act, all students will be issued textbooks, regardless of overdue, damaged, lost or stolen books.
- Students will be given bills for lost, stolen, and damaged library and textbooks when the fine or fines are assessed. It is the responsibility of the student to deliver this notice to the parent/guardian. Notification of these fines will also be mailed to the parents or guardians by the school district twice during the school year and at the end of each school year.
- If payment in full cannot be made at the time the fine is assessed, special contracts may be set up with parents/guardians to pay off the fines in installments. These contracts can be picked up by the parent/ guardian or student at the library textbook windows. If the fine for a stolen book is questioned by the parent/guardian, a stolen property report must be filled out and the issue discussed with the administration.

The following consequences will be implemented to facilitate book returns or to secure payment for lost, stolen or damaged books:

- Students cannot purchase tickets to attend dances, trips, Prom, Homecoming or Senior Ball (NO ACTIVITIES LIST)
- Seniors may not be able to participate in the graduation rehearsal
- The Monterey Trail High School/Edward Harris, Jr. Middle School Library Media Center supports and complies with EGUSD policy concerning lost, stolen, damaged, or overdue books.
- If library materials or property are willfully damaged, the offending student will come under the disciplinary policies outlined in the Education Code.

- If a lost or stolen book is returned within one year of checkout, a full refund will be given.
- Attempts will be made to contact parents/guardians by phone if books are overdue for a long period of time.

- There will only be one person per computer unless doubling is part of a class visitation assignment when the instructor is present.
- Students who do not have proof of permission to use the Internet may use the library on-line databases without and authorization sticker but may not use the Internet.
- Students who have violated the EGUSD's Internet Use policy are not permitted to use the computers but may use our print resources for research.

LIBRARY MEDIA CENTER TECHNOLOGY RULES/INTERNET USE

Monterey Trail High School and Edward Harris, Jr. Middle School Library Media Center will provide access to the Internet for students to use for classroom projects. We believe that a strong technology curriculum supports learning and requires that users are responsible in their use of computers, networks and information.

Below are basic guidelines for student use of computers. Please be advised that any misuse of computer privileges may result in disciplinary action.

- **The Internet:** All students will read the terms of internet use in their student handbooks and fill out and turn in the Elk Grove Unified School District's "Application for Educational Use of the Internet." This library media center supports and complies with the Elk Grove Unified School District's policy for "Use of Technology in Instruction.
- **Websites:** During class use of the Internet, the teacher will determine if an internet site is inappropriate. The teacher's ruling is final. Continued access by the student to that site will be deemed defiant and appropriate

disciplinary action will be taken.

- **Chat Rooms and Email:** Chat rooms are off limit to students. Students may not email or send personal information across the Internet. Students must check with the instructor or library media teacher for permission to email research information to their home computers or open email to get or send homework assignments.
- **Network User:** Students are not to access files or throw away files that do not belong to them. Vandalism is not permitted. "Vandalism is defined as any malicious attempt to harm or destroy data of another user or network including so-called "hacking." Vandalism shall result in the cancellation of privileges. Vandalism includes, but is not limited to, the creation or uploading of computer viruses." (Board policy-"Use of Technology in Instruction")
- **Saving Files:** Students may save files to the school server designated for students if these files are part of a classroom project. Students need to follow the instructor's directions closely when saving their work. Students should title their files and should have their name and the teacher's names saved somewhere in the file.
- **Printing Services:** There are printing services available in the library.
- **Plagiarism:** Information accessed and/or printed from the Internet and used as a part of any assignment must be identified as such and properly cited. Students must credit their Internet sources in order to avoid plagiarism and its consequences. Students should copy down the web address and the name of the reference source (book magazine, newspaper, etc.), title of the article, author, and date when provided. Students should refer to the Academic Code of Conduct regarding plagiarism.

LIBRARY PROCEDURES FOR STUDENTS LEAVING MTHS

- Students checking out of school must have a checkout form signed by a library media teacher verifying that the student has returned or paid for all books or book damage. Only cash, money order or cashier's checks are accepted as payment for students leaving MTHS.
- If the student is not cleared, a bill will be attached to the checkout form and given to the parents.
- If a student leaves MTHS high school and does not clear charges or return books, when school records are requested by another school or district, a letter will be sent to the new school or district informing them of our policy and enlisting their help in securing book payment, damage fees, or return.
- Graduating seniors must have all fines cleared in order to participate in the graduation ceremony.

NO CHECKS WILL BE ACCEPTED FOR PAYMENT OF FINES AFTER March 31, 2023.

ADMINISTRATIVE SUPPORT

ADMINISTRATORS

Please contact the School Office Assistant in the Vice-Principal's office to schedule an appointment with any Vice Principal.

CHANGE OF ADDRESS

Parents/guardians are to notify the Attendance Office immediately of any change of address, telephone number, or guardianship. Proof of residence, such as a utility bill (SMUD or PG&E), is required on all address changes. A change of address form is available in the Administration office.

LOST AND FOUND

The Attendance Office, located in the main administration building, is the place to take "found items" or to see if "lost items" have been returned. Monterey Trail High School does not assume responsibility for lost or missing articles on campus, and students are asked to keep close track of their belongings and not carry valuables or large sums of money at school. Items from Lost and Found that are not picked up will be donated to charity.

OPT-OUT FORMS

There are occasions when news media are on school campuses to interview, photograph and videotape students for print and broadcast stories. Many of these stories are positive and highlight the good things happening in EGUSD schools. However, there are times when the media seeks access to our school on more controversial issues. At all times our goal is to maintain student security and privacy. If you want your child to be excluded from media stories, please use the opt out in ParentVue in order to indicate your wish to NOT authorize media representatives to publish/broadcast interviews with or photographs /videos identifying your child.

ParentVUE includes five (5) times a parent or guardian may choose to opt-out of certain activities. These are:

- 1. Multimedia Withhold:** If you want your child excluded from media stories.
- 2. Posting of Student Images and Names on EGUSD Digital Communication Tools:** This opt-out choice covers only student events and accomplishments through district digital tools. By choosing to opt-out of this, your child's image (photo and video) would not be posted electronically (includes recognitions, honor roll, awards, events, contests, etc.) This does NOT apply to posting student photos into the district student information system (Synergy) from which there is NO opt-out choice.
- 3. Release of Directory Information:** Signing this portion of the opt-out form will prevent your child's directory information from being released to certain persons or organizations including military recruiters. Directory information may include a student's name, address, telephone information, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of the athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended.
- 4. Movies and Videos:** If you do not want your child to view PG-13 rated movies or R rated movies during the 2020- 2021 school year, you may sign this portion of the opt-out form.
- 5. Family Life Education:** Each year, EGUSD schools offer a unit in Family Life education to students in grades 9 and 10. The district's family life curriculum is based on abstinence and acknowledges the family as the primary provider of family life education. Under state law, parents have the right to excuse their children from Family Life Programs. If you do not want your child to participate in the Family Life Program, you may sign this portion of the opt-out form.

The Opt-out form is distributed to MTHS students the first week of school. Forms should be returned ONLY if you wish to opt-out of any of the above sections. Please complete the ParentVUE opt out or send in the form that is available in the EGUSD handbook or at the front office to MTHS front office by September 2, 2022.

All forms **expire annually**.

PARENT/GUARDIAN VISITATION

The staff at Monterey Trail High School supports and encourages parents/guardians to visit their student's classes. Positive home/school relationships play a critical role in students' school success. Classroom visitations provide an excellent opportunity to observe your student in an academic setting.

If you would like to visit your student's class(es), please contact the Vice Principal at 916-688-0050. You need to provide at least 24 hour notice prior to your visit. This will help to insure that you visit on a day when library visits, field trips, videos, etc. are not scheduled. All visitors are to sign in at the attendance office and show identification to receive a visitor's pass.

In the interest of maintaining a classroom environment that is conducive to learning, with as few distractions as possible, we ask that you observe and not participate in class activities unless invited to do so. Due to tight time restraints, teachers will not be able to conference with parents/guardians during classroom visits. However, if you would like to conference with your student's teacher, contact them directly at a time other than the time of the visit.

Thank you for your cooperation. We look forward to your visit.

TELEPHONES

School telephones are business phones to be used by students for emergencies only, and only with permission from school staff. Please see the student cell phone policy for further details.

TRANSCRIPT REQUESTS

Students may pick up a Transcript Request Form from the Registrar in the Administration building, or on the MTHS Website under Students (mths.egusd.net). If a student requires an official transcript, the request form must be signed by a parent. Return the completed transcript request form by Wednesday and the transcript will be ready for pick up on Friday the same week. Every graduating senior receives the first official transcript free after final grades have posted. Alumni transcripts cost \$5.00 each.

SPECIAL OCCASIONS—FLOWERS, BALLOONS, ETC/FOOD & OTHER DELIVERIES.

For the safety of all of our students we will NOT accept food drop offs and cannot participate in potlucks. Passing food through fences or other areas is also not safe for our students. Staff will not know it is a parent/guardian and there are dangers associated with allowing anyone to approach a fence and call over a student. No commercial food deliveries (e.g. Door Dash, Grubhub, Postmates, etc.) will be accepted, even if ordered by a Parent/Guardian. Food that is passed through fences, etc will be held in the administration office and a phone call to the parent/guardian will be made to determine next steps. In addition, please limit dropoff of other items. Office staff do not have the time or resources to make deliveries nor should they be interrupting instructional time for these purposes. Flowers, balloons, candy, etc., other than those available at school sponsored events, may not be delivered to a student during the school day to acknowledge a special occasion.

Students may not carry balloons, flowers, etc., on campus during the school day because they are disruptive to the educational process. If these items are delivered to school, they will be kept in the administration office until the end of the school day.

PARKING PERMITS

In an effort to protect and safeguard students, any student wishing to park in the student parking lot must complete a Vehicle Parking Contract (available in the Vice Principal's office). Students are responsible for registering their vehicle with the Vice Principal as well as following the contract guidelines. Students may park in the Stadium Parking Lot only.

Parents: Please review your student's Vehicle Parking Contract before signing. Upon registration, students must have the following:

- Current Driver's License
- Current Registration
- Current Insurance
- Monterey Trail High School Identification Card

Students that park without a parking permit are subject to vehicle code enforcement that could include a Sheriff's citation and the vehicle being towed away at the owner's expense. Students will also be subject to the school's discipline policy. Students are not permitted to be in the parking lot without proper authorization. **Failure to follow these rules will result in a student losing his/her parking privilege for the current school year and may face disciplinary action.**

PHYSICAL EDUCATION LOCKERS

Physical Education/Athletic lockers are issued as a courtesy to students. Students wishing to use a locker must have their parent/ guardian sign a waiver form before a locker will be assigned. Monterey Trail High School and EGUSD do not assume responsibility for the damage of any items stored in lockers or theft from lockers. **All lockers are subject to search if there is a suspected violation of law or CA Education Code.**

VISITORS/VOLUNTEERS

All visitors/volunteers who have followed the procedures to be on campus (24hr notice for visitors or approved volunteers after the process with MTHS and EGUSD) must sign in at the Attendance Office with an acceptable photo ID and wear a visitor/volunteer badge at all times while on campus. When requested to do so on campus by school or security personnel, visitors and volunteers must show identification. Monterey Trail High School does not issue visitor passes to students. Volunteers must have been approved and fingerprinted before being able to volunteer. For more information please contact (916)-688-0500.

WITHDRAWALS - TRANSFERS

Any student withdrawing or transferring from Monterey Trail High School must report to the Attendance Office for a clearance sheet. A parent/guardian must accompany the student to the Attendance Office to request the student be withdrawn from school. The clearance sheet must be signed and approved by the Attendance Office, all teachers, the

librarian, and the school site controller before the student returns it to the Attendance Office. The student must return all textbooks and other school materials and pay all fines/fees prior to withdrawal. The student must turn in his/her ID card.

Students/parents/guardian checking out of MTHS must bring a checkout form from the MTHS office to the library to be signed by a library staff member after all library and textbooks that are returned and all fines paid. Only cash, money order or cashier's checks will be accepted. The signed checkout form must be returned into the MTHS office.

ATTENDANCE

ATTENDANCE OFFICE HOURS:

8:00 AM - 4:15 PM Monday through Wednesday, & Friday; 9:20 AM - 4:15 PM Thursday

In order to benefit fully from the Monterey Trail High School academic and extra-curricular program and make progress towards graduation, students must attend school regularly. Since Monterey Trail High School operates on a block schedule, regular attendance and punctuality is critical to school success. Keep in mind that missing one class on the 4x4 block schedule is equivalent to missing two classes on a traditional school schedule. Irregular attendance negatively affects class progress and grades. Parents/guardians are encouraged to work with Monterey Trail High School in supporting students' regular and timely attendance. They may call the school's attendance office during regular school hours to check on their child's tardy and absence record.

ATTENDANCE REQUIREMENTS

State law requires that all minors attend school full time. Regular attendance is essential to learning and academic success. Attendance is taken each period and is documented by the teacher in the master attendance system.

Seven regular semesters (14 terms) of attendance in grades 9-12 are required to qualify for a diploma.

Classification of Absences and Tardies (Ed. Code 48260, 48261, 48262)

- **Excused:** Absences due to illness, quarantine (as directed by a health official), doctor or dental appointments, and death in the immediate family, school approved field trips, religious observances/holidays, personal court appearance (requires verification).
- **Unexcused:** Absences due to truancy, flat tires, running out of gas, missing the bus, oversleeping, vacations, etc.

Absences due to suspension from school will be considered unexcused absences.

Students are expected to attend school regularly. Academic success and achievement begin with a commitment to being punctual and prepared for the rigors of school. Maintaining this high standard will positively affect a student's progress and grade as well as reinforce a strong work ethic for the future. Attendance is extremely important. Regular attendance and punctuality are key elements in determining your success at Monterey Trail High School. Irregular attendance will negatively affect class progress and grades. Parents/guardians, please feel free to call and check attendance at any time.

HOW TO CLEAR ABSENCES:

We recommend clearing absences within 7 days to avoid a letter being sent home from the District Attendance Improvement Office. Whether clearing absences by phone, note, or in person, please be prepared to provide:

Student's NAME AND ID#

Date(s) and reason for

Absence(s)

Your name/relationship to the student

Telephone number where parent/guardian can be reached to verify

Parent/guardian signature (if absence is being cleared by note)

EARLY DISMISSAL/"LEAVE OF GROUNDS"

If a student has a medical appointment that requires he/she be released from school early, please follow these procedures:

- Parent/guardian should phone the Attendance Office at 688-0050, or bring a note (see above) prior to the start of school.
- Parent or Guardian will be called to verify any early dismissal requested by a written note so please include

a current phone number.

- Student will be issued a pass with a time to return to the Attendance Office for early dismissal.
- All students leaving campus must have an approved early dismissal pass issued by the office.
- All parents/students need to sign out in the school office before leaving campus.
- If a student is unable to return to campus within the time allowed on the Early Dismissal, a Parent/guardian must call the Attendance Office at 688-0050.
- Students identified as having an excessive number of early dismissals will be required to clear future requests with the vice principal. A medical verification may be required upon return to school.

TARDY POLICY AND CONSEQUENCES

We are trying to help our MTHS students understand the importance of punctuality in order to increase their instructional time in class, and to ensure a safe and orderly campus. Therefore, MTHS staff will prompt students to go to class before the bell rings to ensure students arrive to class on time and receive the full benefit of classroom instruction.

Parents/Guardians can check attendance on ParentVue. Per state regulation, tardies due to traffic, family emergencies, or other personal reasons are not legally excusable.

MTHS will use a warning bell 3 minutes before the final bell for each class.

Students are expected to be in class and in their seats when the tardy bell rings.

We want to reward students for on-time behaviors.

- Randomly Classes with fewest number of tardy students will be rewarded (will be announced in bulletin/announcements)
- Positive individual/classroom rewards may be offered

Tardies

After a year of trying a different system, we have noticed the amount of tardy and wandering students missing out on valuable instructional time has risen tremendously. Therefore, we will be returning to a system that in the past helped create an urgency to go to class on time which helps our students, staff and resources.

Policy:

When the Tardy bell rings, teachers will lock/secure their doors. Students must immediately report to the attendance window or to an available administrator out on campus to get a Tardy pass. Student must present the tardy pass to the teacher to enter the classroom.

What happens next:

- Daily tardies will be monitored.
- When a student accumulates 5 tardies (not class period specific) the student will be placed on the no-activities list and chronic tardy list.
- Students on the no-activities list can not participate in any extracurricular activities, including but not limited to sports, band, dance, cheer, etc. and no refunds will be issued if tickets are purchased when on the no-activities list
- Students will be given opportunities to clear themselves off the no-activities list.
- Students on the chronic tardy list will remain on that list and every additional tardy will place them back on the no-activities list until cleared again.

How to be cleared off of the no-activities list:

- To be removed from the no-activities, students must serve a detention for each tardy.
- Students may serve in 1 of 2 ways after school on Monday -Thursday (30 minutes each day) but must arrive on time or will not be allowed to serve that day
- Students must have their student ID available, either with their ID card or StudentVue, and check-in and out.
 - Option 1: student attends the after school behavior intervention/detention room and completes the reflection sheet (clears up to 3 tardies per day attended - each 10 min clears 1 tardy)
 - Option 2: student attends the campus beautification ASSETs program and helps clean up the campus under supervision (clears up to 5 tardies - must attend full 30 minutes and no banking time preemptively)
- Students will remain on the no-activities list until the following school day after the last detention is served. **NO SAME DAY CLEARANCES**

Parents/Families will be contacted for continued attendance issues and additional consequences may be issued.

TRUANCY

A truancy is any “unexcused absence” or uncleared absence.

NOTE: Students who arrive to class beyond 30 minutes late will be considered absent, not tardy, and are subject to truancy consequences.

AIO PROCESS

Students with habitually poor attendance will be referred to the Attendance Improvement Office (AIO) through the following process:

1st Attendance Letter

- A letter is sent to parents after the 5th truancy.
- A principal or designee conferences with the student concerning attendance.
- A copy of signed letter is filed in the AIO binder, as well as in the student’s discipline file

2nd Attendance Letter

- The AIO sends a second letter to parents when there is no improvement in attendance.
- The parent is requested to contact the school within five school days to schedule a conference.
- At the conference, the parent and student sign an Attendance Contract.
- If no conference is scheduled, if the parent fails to attend the conference, or if further absences occur, other intervention options will be utilized.
- A copy of the signed letter is filed in the AIO binder, with a copy to the student’s discipline file.

3rd Attendance Letter

- The school generates a third letter when a student violates his/her attendance contract or when the parent does not schedule and/or attend a conference. This letter is a referral for a AIO hearing in court.

Under state law, parents/guardians are responsible for the regular attendance of their children.

STUDENT SERVICES (COUNSELING)

COUNSELING

The mission of the MTHS Counseling Department is to promote life-long learning and a successful transition from high school to post-secondary opportunities. Counselors help address the diverse, cultural and academic needs of ALL students. MTHS offers a comprehensive counseling and guidance program that provides academic advising, personal counseling for individuals/groups, and career exploration and college planning. Counselors also make recommendations to appropriate school resources and referrals to community agencies.

Students/parents and guardians are encouraged to visit the MTHS’ Counseling webpage for program information, calendar of events and to contact student’s alpha counselor by e-mail.

Many colleges visit our Career Center throughout the school year. The Daily Bulletin regularly advertises these visits. Visit the Career Center for more information.

ILLNESS AT SCHOOL

If a student becomes ill at school, he/she is to report to the Health Tech located in the Counseling Office (Student Services Building). A student who is ill may leave campus with a parent or guardian only if excused by the Health Tech or an administrator, and after signing out and receiving a "Leave of Grounds" permit.

All health information must be updated annually. Changes in address, parent home and work phone numbers, and emergency contact names and phone numbers must be reported immediately to the attendance office so that the school is able to make contact with a parent or guardian if the student is injured or becomes ill.

INSURANCE

The Elk Grove Unified School District does not carry accident or injury insurance on students. The responsibility for individual coverage lies with the parents or guardians. Low cost insurance is available and is highly recommended. Information regarding insurance is provided to each student at the beginning of each school year.

MEDICATION

Students may not carry any medication (prescription or over-the-counter) with them on campus. No medication (prescription or non-prescription) will be dispensed to students or allowed on the school site without the appropriate form being completed and on file in the Health Clerk's office. LINK CREW AND PEER COUNSELING

Link Crew is a freshmen transition program that welcomes freshmen and assists them in adjusting to high school. The Link Crew program at Monterey Trail High School consists of trained junior and senior students who participate as Link Crew leaders throughout the school year. Link Crew leaders are seen as positive role models and motivate, lead, and provide freshmen with tools to be successful in high school. Link Crew leaders are selected through an application process each year. Link Crew leaders participate in summer trainings and host our annual Link Crew freshmen orientation at the beginning of each school year. Link Crew leaders meet with freshmen periodically throughout the school year at academic and social follow up activities. Link Crew leaders have the opportunity to enroll in the elective Peer Counseling class at MTHS. The Peer Counseling class helps support freshmen in a variety of ways throughout the school year.

CONFLICT MEDIATION

The Conflict Mediation program at Monterey Trail High School offers students who are in conflict, a safe and confidential place to develop a solution with the aid of MTHS students who are trained Conflict Mediators. MTHS Conflict Mediators are students who are trained in conflict resolution skills such as active listening, brainstorming, teamwork, and open communication. The Conflict Mediators apply these skills to help facilitate problem solving among their peers. The Conflict Mediators are a group of students who participate in the elective Conflict Mediator class at Monterey Trail High School. Students who are having problems with each other and who choose to discuss these problems, should report to any MTHS staff member or report to the Counseling Office in the MTHS Student Services Building.

BICYCLES/SKATEBOARDS/SCOOTERS

The staff at Monterey Trail High School understands that the use of bicycles and skateboards are healthy forms of student transportation to and from school. However, bicycles and skateboards may not be ridden on the school campus at any time. Monterey Trail High School has two bicycle compounds so all students riding bicycles or skateboards to school have a place to park their bikes and skateboards. The first bike compound is located adjacent to the counseling building (HA) on the Power Inn side of the school. The second bike/skateboard compound is located on the North/Stadium side between the cafeteria and the gym. The bicycle compound is locked at the beginning of first period and unlocked five minutes before the end of the last period. Bicycles locked to other fencing may result in the lock being cut when necessary so please use the appropriate bike rack area.

Bicycles and skateboards must be parked and locked in the area designated for bicycle and skateboard storage. Students must provide their own lock and chain for bicycles. Skateboard lockers also require a student to provide a lock. State law requires that students under 18 years of age wear helmets when riding bikes to and from school. Violators may be subject to a \$25 fine or more.

The Elk Grove Unified School District prohibits the use of skateboards, wheelies, roller skates, in-line skates, or similar

devices on school property, including parking lots and walkways. Violators may be prosecuted under SCC 1084 section 9.38.015 and fined up to \$250.00.

MONTEREY TRAIL HIGH SCHOOL IS NOT RESPONSIBLE FOR ANY LOST, STOLEN, OR DAMAGED BICYCLES OR SKATEBOARDS.

SAFETY/EMERGENCY PROCEDURES

CLOSED CAMPUS

Once students enter campus, students will not be allowed to leave campus without an administrator's authorization or a school approved pass (leave of grounds). **Violations of the closed campus policy will result in disciplinary consequences, which may include administrative searches.**

EMERGENCY PREPAREDNESS

EVACUATION INSTRUCTIONS

- When the fire signal sounds at any time during the school day, students are to do the following:
- Evacuate all buildings with their class and move quickly to the area designated on the evacuation map. Roll will be taken by the teacher to account for all students.
- Remain with their class under their teacher's direction.
- Stay at least 50 feet away from all buildings.
- When the all-clear signal is given, return to class immediately.

LOCKDOWN DRILL INSTRUCTIONS

When the Lock Down alert is given, students and teachers are to do the following:

1. Remain in the classroom away from doors and windows.
2. Lock classroom doors; close windows and blinds.
3. Reserve classroom phone for emergency use only.
4. If outside, go immediately to the nearest classroom or building.
5. Await further instructions from school officials.

NOTE: During a Lock Down, students will not be released to parents/guardians. Parents are asked to stay away from the school and from roads leading to the school to allow access to emergency and law enforcement personnel.

Monterey Trail High School will work closely with local law enforcement in the event of a lock down situation. The school has an emergency plan in place that is district-approved and reviewed each year.

SECURITY VESTS/APPROVED Electronic HALL PASSES

In our ongoing efforts to provide a safe learning environment for staff and students, Monterey Trail High School requires all students to wear a neon vest or have an approved pass when walking around campus during class time. This allows security personnel to quickly identify non-students and students who are out of class without a valid reason. Students must identify themselves when asked and cooperate with all staff requests at MTHS or may be subject to disciplinary action. This is a matter of safety.

STUDENT IDENTIFICATION CARDS

At the beginning of each year, student ID photos are taken at school and students are issued personal ID cards. These ID cards include a bar-code label for library/textbook checkout. It is important that the bar code label not be damaged or tampered with in any way. Replacement of the ID card and/or bar code due to loss, damage, or tampering will cost the student \$5.00, in addition to the loss of checkout privileges pending ID card replacement. Replacement ID cards are available for purchase at the student store during lunch and are printed at the library. **Students are expected to carry their ID card with them on campus and are expected to present the ID upon request of any staff member.** These measures enhance our students' security and help to prevent non-students from disrupting the school. Digital ID cards are accepted in most cases.

DISCIPLINE

Good citizenship and respectful behavior is expected of all students at Monterey Trail High School. Monterey Trail High School recognizes that the best discipline is self-imposed and requires that students take responsibility for their actions. When issues of behavior do arise, however, the staff at Monterey Trail High School encourages cooperation between the home and school concerning students' discipline.

Parents will be notified by phone and/or in writing of all cases of serious disciplinary problems or consequences. Parents are encouraged to contact either their student's teachers or counselor regarding their child's behavior and/or academic status each term.

CAMPUS COURTESY

Students are asked to show respect for their peers by

- Passing quietly and being considerate of others in the hallways and classrooms.
- Discarding trash in the containers provided to keep the school clean.
- Acknowledging that a quiet, calm atmosphere is essential to learning and that nothing contributes more to this atmosphere as does being quiet: using quiet voices, gently handling books and desks and being silent near classrooms.

ACADEMIC CODE OF CONDUCT

The staff at Monterey Trail High School expects the highest standards of honesty, integrity, and responsibility from all students. To protect everyone's right to a fair and meaningful education, Monterey Trail High School has adopted the following Academic Code of Conduct:

This may result in the student failing the class. The student may also be suspended for up to five (5) days and the infraction may affect any awards or honors the student may receive. This will be at the discretion of the committee(s) in charge of the awards.
 - * A student NOT enrolled in a course, but who is involved in such an infraction, shall be disciplined in accordance with the student discipline policy.

When students violate the expectations about WHEN and HOW students may use cell phones, they will be subject to re-teaching and consequences in order to maintain the safety of our community and encourage their participation in a highly engaged learning environment. For more information, please refer to the EGUSD website and Administrative Regulation 5131.8 in Board Policy.

HOW are students expected to use cell phones?

- Cell phones should be used for reasonably positive and responsible activities.

Please refer to Board Policy [BP 5131.8 Mobile Communication Device](#)

Additional information:

- Administration may confiscate and search any electronic device if there is reasonable suspicion that the student has used the device to violate a law/school policy or create an unsafe environment for learning.
- Site administration or designees are authorized to impose a temporary ban on student use of cell phones while on campus when there is a specific concern regarding student, staff, and public safety. All students must comply with a request made by school staff to cease use of a cell phone, even during non-instructional time.
- If a student refuses to comply with the request by school personnel regarding the appropriate use of a cell phone, the device may be confiscated by school administration and be redeemed by a parent/guardian/caregiver or as determined by the school principal/designee.

The staff at Monterey Trail High School strongly recommends that students not bring cell phones or other electronic devices to school because they have the potential to disrupt the learning environment or become a target for theft. Monterey Trail High School will not be able to dedicate resources to the investigation of the loss of cell phones or electronic devices.

MONTEREY TRAIL HIGH SCHOOL IS NOT RESPONSIBLE FOR ANY LOST, STOLEN, OR DAMAGED CELL PHONES OR ELECTRONIC DEVICES.

NOTE: Pursuant to California Education Code Section 51512, the use of any electronic listening or recording device in an educational setting without prior consent of the teacher and/or the principal is prohibited by adults and students. Any pupil violating this section will be subject to appropriate disciplinary action.

CONFLICT MEDIATION

To co-exist peacefully, students need skills to communicate effectively and to create boundaries for themselves in a responsible manner. Peer conflict mediation teaches democratic principles and offers a forum through which students can participate in their school community. Students who are having problems with each other and who choose to discuss these problems, should report to the Counseling Office (Student Services Building) and contact a counselor. If an agreement is not reached, students will be referred to an administrator for possible disciplinary action.

PUBLIC DISPLAYS OF AFFECTION

Public displays of affection are not appropriate to a school setting and are therefore not allowed. Inappropriate displays of affection shall be defined as heavy kissing, petting, prolonged hugging, and/or hugging in a suggestive manner with body touching, rubbing etc. Students violating the display of affection policy may be issued one warning or detention with parent notification. Repeat violations may result in a home suspension.

SCHOOL PROPERTY

It is everyone's responsibility to help maintain a clean and safe campus. Students are expected to assist the custodial staff in keeping the buildings clean by not littering anywhere on campus. Writing or carving on walls, desks and chairs is destructive and will result in disciplinary action.

Students/parents may be charged for all damages or losses that occur to school buildings, books, or equipment.

DRESS CODE POLICY

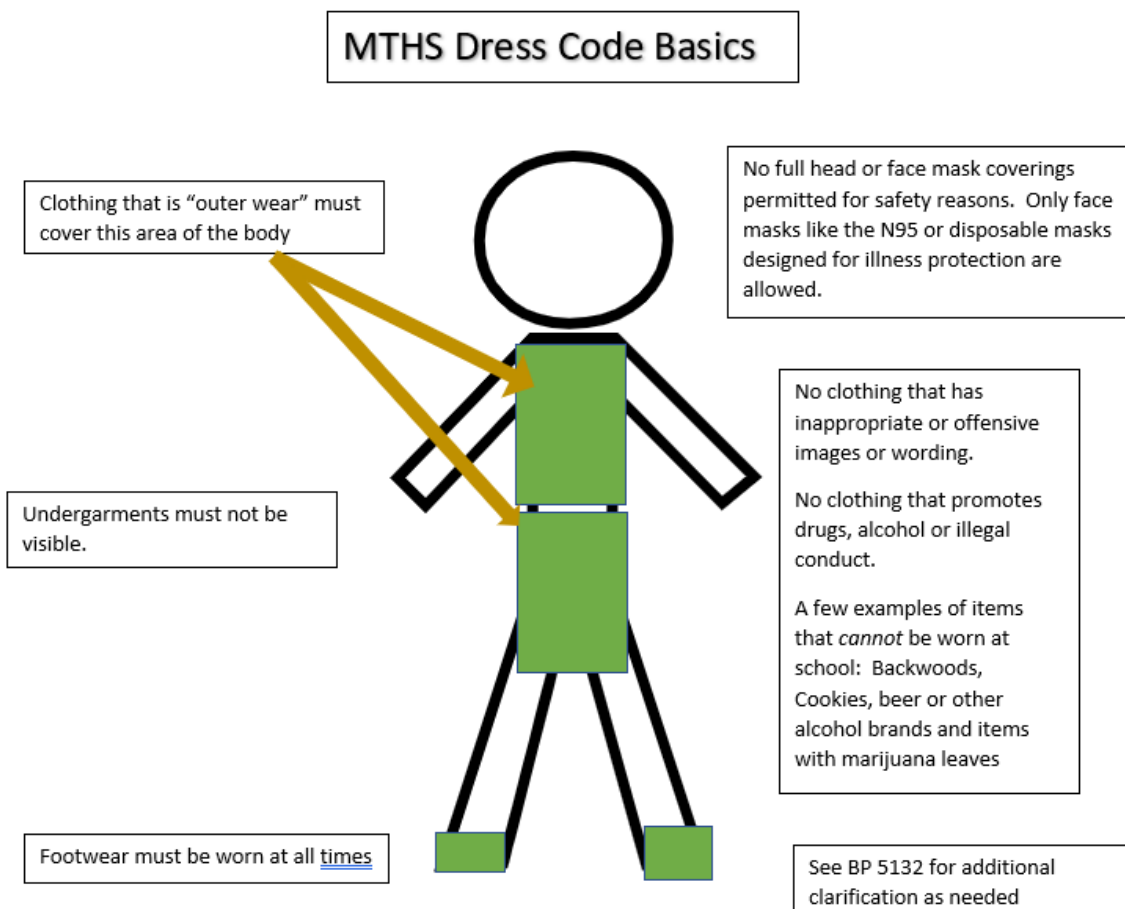

Optimal Learning and College/Career Prep Culture and Climate

In order to be college/career ready and to be professional, respectful and have integrity students at MTHS are part of a community that has specific expectations and policies to help support that. Here are just a few to highlight but please refer to the student handbook coming soon.

MTHS Dress Code for 2023-24

Parents/Guardians have the primary responsibility for appropriate standards of dress and grooming. However, as an educational entity, the Secondary Division of EGUSD has the responsibility to establish and maintain standards of dress and grooming that support a positive, appropriate and safe learning and teaching environment. The purpose of a dress code is to facilitate education and not to inhibit any person's taste in attire or appearance.

In accordance with BP 5132 and after educational partner input, MTHS will refer to the Board Policy where dress code is concerned. However, the following picture shows the basic guidelines for how to dress for success at school.

What happens if a student wears something out of dress code?

- Staff may send the student to the front office for administration to determine if the attire is appropriate
- Student can use a loaner item and change in a restroom in the office as a result
- In some cases, a student has a secondary item of their own and may change into that instead.
- For repeat incidents, a student may be issued a referral, family may be contacted to partner with the school and additional consequences may be issued.

PREVENTING SUSPENSION AND EXPULSION

We are proud to have our Mustangs exemplifying core values as a COMMUNITY with Respect, Integrity and Confidence.

Lessons about our core values and expectations will occur in the first two days and throughout the year to proactively work with our students to help them be successful.

Acknowledgement system:

- Students can earn Mustang Gold tickets from any MTHS staff member for displaying MTHS's core values; Respect, Integrity, Community, Confidence.
- Students are eligible for weekly prizes after having earned a Mustang Gold Ticket.
- Students are also eligible to win prizes at the end of each term.

Restorative Practices:

- When students make a mistake, we believe in getting to the root of the problem and restoring our community so the student is able to get back on track asap

MTHS takes a proactive approach to helping students learn expectations for positive behavior. PBIS lessons and acknowledgement systems are in place to support positive behavior. Students and parents are advised that in order to maintain a safe, violence-free environment, no student is allowed to hit another student. Students who hit other students may be suspended from school for safety. If a student is hit by another student, he/she should immediately leave the area and seek help from a teacher or other staff member.

To avoid suspension or expulsion, students should:

- Stay away from people who make them angry.
- Ignore or walk away from challenges to fight.
- Practice strategies to calm down.
- Seek help from teachers, campus supervisors, counselors, or administrators.
- Ask for Conflict Mediation.
- Talk to their parents about any problems they're having at school.

We are proactive in teaching students about expectations and our four Core Values: Community, Respect, Integrity, and Confidence. We also partner with families to try to find root causes and help to prevent that in the future. While we work to create a community of belonging and meeting expectations to help students focus on learning at our educational institution, there are incidents that occur that violate our policies, procedures and expectations for a positive school climate and educational focus. Thus, Education Codes 48900 and 48915 are written to explicitly state the offenses which can result in discipline. As a restorative practices school, we look for ways to re-teach and return students to the classroom. However, consequences for students who violate the 48900 Education Codes may range from low-level such as re-teaching the expectation and calling family, to exclusionary discipline such as suspension and/or expulsion, based upon the frequency and severity of the violation.

Proactive expectations of all community members are:

- Review and act according to the core values and expected behaviors.
- Report incidents to a staff member in person, email or via phone.
- Report incidents anonymously through the Catapult system.
- Report minor incidents before they escalate into major infractions and do not result to violence.
- Access peer mediators for conflict mediation for yourself or others who are in conflict and need resolution

- Parent(s) notify the school when an incident is brought to your attention and avoid escalating it or involving others.
- Do not participate in bullying, harassing, or recording student misconduct through the use of social media or electronic devices.
- Interrupt inappropriate behaviors of peers when safely possible.

For further information about the violations specific to 48900 and 48915, as well as the associated disciplinary consequences, please see the EGUSD Discipline Matrix listed later in this handbook (pages 117-141) [23-24 EGUSD Parent/Student Handbook](#)
